

EDUCATION

Bachelor of Science (B.Sc), Information Technology

Thakur College of Science & Commerce, Mumbai

2022 - 2025

TRAININGS

Web Development

Internshala Trainings, Online

Jun 2023 - Sep 2023

Successfully completed a 8 weeks online certified training on Web Development. The training consisted of HTML, CSS, Bootstrap, DBMS, PHP, JS, React, and Final Project modules.

PROJECTS

Tic Tac Toe Game

May 2024 - May 2024

A simple and interactive Tic Tac Toe game built with HTML and CSS. This game allows two players to take turns marking the spaces in a 3x3 grid with "X" and "O". The first player to align three of their marks vertically, horizontally, or diagonally wins the game. The game includes a clean and responsive design, suitable for all device sizes.

Student Attendance Manager - Java

Mar 2024 - Mar 2024

An end to end Database focus App for student Attendance can have their attendance on the app and can easily update and delete.

Amazon clone- Html and CSS

Dec 2023 - Dec 2023

I have created a Home page of amazon by using the html and css.

Top Twenty Forts - Using Html and CSS

May 2023 - May 2023

This website contains the Top 20 forts of India with their information and location
